

# CHRIST CHURCH ACADEMY

## **MISSION STATEMENT**

Christ Church Academy educates students to become exemplary leaders in faith, scholarship, civics, and service with a Biblical worldview.

## **VISION STATEMENT**

As a private, Christian lower elementary school, Christ Church Academy will enact and further the mission of Christ Church Vero Beach to make disciples who follow Jesus Christ and to serve our community as an affordable option for a comprehensive academic education.

## **CORE VALUES**

- Christ Church Academy recognizes the value and worth of each student as a child of God. We encourage our students to be mindful of God's presence in their lives as they grow and become independent learners who develop a lifelong love of learning.
- We teach each student how to integrate and apply Biblical values to all areas of study and life.
- Rather than facilitate mere content transfer, we develop academic and social skills through exploration, problem solving, and creativity. Our curriculum is guided by the Florida State Standards, attends to the whole child, and includes spiritual development, social/emotional development, cognitive development, and physical development.
- We are committed to providing a strong, comprehensive academic structure for reading, writing, mathematics, and science that incorporates creativity, critical thinking, technology, and community into the core of our lessons and activities.
- We value the role of families in the education of the whole child and seek to foster ways to include and extend support to the parents and guardians as an extension of our CCA Family.

## CLASSROOM TECHNOLOGY

Technology is utilized extensively at CCA Lower School. Each classroom is equipped with a large screen television along with an iPad and Surface laptop for each teacher. Every CCA student will be furnished with an Apple iPad to use throughout the 2021-2022 academic year.

## CURRICULUM TEXTBOOK SETS

CCA adheres to the National Education Standards and the Florida Education Standards for its curriculum. We use Sadlier work-texts, meaning they are both a textbook and an individual workbook in one.

### *Reading*

This comprehensive foundational skills program supports students on the path to early reading and writing with:

- A systematic instructional scope and sequence that uses Wiley Blevins' research-based Seven Key Characteristics of Strong Phonics Instruction
- A focus on application and transfer to real reading and writing, rather than isolated skill work
- Active, thought-provoking phonics instruction that engages students in their learning every day
- Built-in differentiated instruction that supports all students through an embedded review and repetition cycle

The full-color, consumable Student Books help students learn foundational skills and immediately apply them to reading and writing with resources including:

- Active, engaging, and thought-provoking lessons and practice
- Tear-out letter/word cards and take-home books with controlled and decodable text
- Opportunities for guided spelling through dictation exercises

## ***English Language Arts***

In a full-color, magazine-like design, the **Student Worktext** supplements our English language arts program by providing opportunities to:

- Build academic vocabulary
- Write in response to sources
- Engage in substantive, academic discussion
- Use the rules of standard English correctly
- Read complex text independently

## ***Mathematics***

The curriculum provides the required, standards-based content presented in a manageable number of lessons for a full school year.

In all Student Editions for every lesson, students will find:

- A clear, visual model and multiple representations for each topic
- Problem solving and practice
- Opportunities to write about math
- Homework that mirrors the in-class instruction
- Digital tools such as virtual manipulatives are available as part of the program on *Sadlier Connect*

## **RELIGIOUS EDUCATION**

### ***Bible App for Kids***

The Bible App for Kids is part of the YouVersion family of apps. It is available in the App Store and completely free!

Through interactive adventures and beautiful animations, kids explore the big stories of the Bible. The Bible App for Kids is a fun experience designed to encourage kids to

return again and again. It is the beginning of a lifelong love of God's Word.

- Easy, kid-friendly navigation
- Colorful illustrations
- Touch-activated animations
- Engaging, interactive content that brings the Bible to life
- Fun facts and activities designed to help kids remember what they learn
- Special challenges that let kids earn rewards

We believe the Bible to be God's self-revelation, the Word that shows God's glory, grace, and love. This curriculum is written to magnify His majesty, His works, and His nature.

For each passage of Scripture, we look for the ways that God reveals Himself, and then we study how His message shines through context, culture, language, and application. We challenge students first to stand in awe of God, to know and love Him, for that is the first step of any true change in character.

### **A God-Focus is seeking God's glory and grace through all things.**

With this perspective, all of life, creation, and Scripture becomes a window through which we can see the light of God's goodness, power, and love. As His grace draws our gaze to Himself, we learn to rejoice in Him. Only then, standing before His holiness, will we repent, submit, and worship. He becomes the center of all thought, desire, and action—the focus of our love and hope.

Children need to start their spiritual journey with a clear, scriptural understanding of who God is. Thankfully, through His Word, God shows us who He is and how He works, and He does this in the context of people's lives. *Learning About God* highlights what we can learn about God through characters like Adam, Eve, Abraham, Moses, Daniel, Paul, and, most importantly, Jesus Christ.

Through the Character Trait Activities, students will be encouraged and equipped to practically live-in ways that magnify Christ—applying God's truth to everyday situations.

## ADMISSIONS

Christ Church Academy's admissions process is designed to allow you more time to become familiar with our community and for us to become acquainted with your family and child to best serve your academic needs. An application to CCA is comprised of the following items:

- A completed application.
- Birth certificate
- Family Interview

Christ Church Academy does not discriminate on the basis of race, color, religion, sex, sexual orientation, or national origin. Admissions to the school is based on but not limited to, the family interview, academic performance, and student services needed.

### Tuition and Fees for the 2022-2023 Academic Year

Family is a member of Christ Church	\$5,500.00
Family is a non-member of Christ Church	\$6,500.00
Registration fee	\$300.00
Technology fee	\$300.00

### Tuition Assistance

Private school education is not inexpensive, but it can be affordable. Every family uses some amount of their income to monthly or annually make that tuition payment.

Students growing up in the 21st century face challenges like no other culture or society have ever faced. They are confronted with the intense battle over truth that attacks their hearts and their minds directly. They are forced to make decisions many of us have never had to make growing up. Christ Church Academy attempts to provide an environment where growth in truth can take place and where preparation for life as a follower of Jesus Christ is an essential task.

There is no price tag that can be placed on the value of the education your children will receive through the Biblical approach we use at CCA. The priority God places on each of us to raise our children in a biblical manner does not

remove the sacrifice that is placed on each family's annual budget. Helping families fund this priority is why we offer tuition assistance.

We believe that when you follow God's already established priority (training our children), He will bless your obedience and stewardship. You can be assured that every family enrolled at CCA campus is financially invested, and, out of that obedience, we believe God will bless you and your children. The investment you make in tuition is well worth the outcomes you will experience for your children.

- All financial aid awards are given based on financial need. CCA does not provide merit scholarships of any kind.
- Tuition assistance is not intended to cover the total cost of tuition and fees. There will always be some level of family contribution. Each qualifying family is responsible for paying above the aid amount.
- Parents must apply for tuition assistance each year through an application process that requires tax returns and additional financial documents.
- Applicants must go through the academic enrollment process first. An applicant's financial solvency is not a factor in the admissions decision.

## Steps to Assistance...

**1**

Students must be re-enrolled or have applied in order to be considered for tuition assistance.

**2**

The application should be completed as soon as the family's tax documents are finalized. Tuition assistance resources decrease rapidly beginning in April.

**3**

After the application review, the CCA Financial Aid Committee determines the amount of qualified need toward the total tuition bill. Tuition assistance decisions are made monthly.

**4**

The qualifying amount is reviewed, and an assistance amount is determined and communicated to the family. This amount is based upon a combination of factors including: the amount qualified for, the amount of assistance dollars available and when the tuition assistance is filed.

**5**

Preference will be given to returning families. Once a family is committed to the school, continued assistance is likely if they continue to qualify for the need.

## UNIFORM INFORMATION

### GIRLS ATTIRE

White Polo shirt with the CCA logo  
Khaki Pants\*, Shorts\*, or Pleated Skort  
White knee-high socks  
Closed-toe shoes with no open heel

### BOYS ATTIRE
