Dear Families,

Welcome to CCA! We at Christ Church Academy are thrilled you have chosen CCA for your child's elementary school education. We look forward to sharing God's love with your children this year.

Our school is designed to provide an early education experience in a safe, stimulating, and nurturing environment.

The goal of the Lower School Program at Christ Church Academy is to encourage and enable all children to become independent learners who develop a lifelong love of learning. This is accomplished through high quality teacher interactions and play based, developmentally appropriate learning centers.

God's written word is the starting point for the study of every subject. Your child's teacher is a highly qualified, dedicated Christian educator that will effectively integrate Christian truth into all disciplines of study.

Feel free to speak with me if you have needs or questions about our programs.

# Wednesday Morning Chapel

Christ Church Academy hosts a ***weekly chapel service, in the Christ Church Vero Beach Nave, every Wednesday morning at 10:00 a.m.*** This weekly service welcomes the Christ Church Academy community—students, parents, grandparents, faculty and staff—to come together for a special time of fellowship with age-appropriate speakers, praise and worship, Bible lessons, and real life application of Bible principles. Christ Church Vero Beach Rector, Father Keith Allen, Associate Priest, Father Hunter Van Wagenen, Deacon Kim Allen or other guest speakers lead each CCA Chapel Service. Family members are encouraged to join us for chapel.

## **Christ Church Academy Lower School**

The goal of the Elementary School Program at Christ Church Academy is to encourage and enable all children to become independent learners who develop a lifelong love of learning. This is accomplished through high quality teacher interactions and play based, developmentally appropriate learning centers.

God's written word is the starting point for the study of every subject. Dedicated Christian educators integrate Christian truth into all disciplines of study. Our ultimate purpose is to instill in every student a Christian world-life perspective. Christian education is meant to enable the child to integrate and apply God's truth to all areas of study and life. Each teacher endeavors to weave the wisdom and truth of God's word into the classroom experience in such a way that the child understands the relevance of Scripture, applying it to every area of his or her life. Academic and social skills are developed through exploration, problem solving, and creativity. Our curriculum is guided by the National Education Standards, attends to the whole child, and includes spiritual development, social/emotional development, cognitive development in all content areas, and physical development.

The Christ Church Academy curriculum focuses on developing students' skills in the critical areas of reading, writing, and mathematics. Science, Social Studies, and Technology are also integrated. Teachers utilize a systematic science curriculum that combines hands-on experiences with high-quality literacy practices. Students become proficient in using Apple iPads for numerous learning activities, including the YouVersion Bible App for Kids.

Instructional techniques and practices support the development of emerging critical thinking and problem-solving skills. Students learn collaboratively and the classroom offers a warm, welcoming, and nurturing environment. Gospel values are interwoven throughout the curriculum and students participate in daily religious education lessons and prayer. Students also participate in a clergy-lead chapel service every Wednesday morning. Interactions with peers, teachers, and clergy offer opportunities to develop the interpersonal skills needed to be successful in the future.

## **Admissions**

Christ Church Academy's admissions process is designed to allow you more time to become familiar with our community and for our community to become acquainted with your family and child to best serve your academic needs.

An application to CCA is comprised of the following items: A completed application, birth certificate, and family Interview. CCA is a parish school and teaches according to the doctrine & discipline of the Anglican Church in North America and under the spiritual oversight of our Bishop & Rector of Christ Church Vero Beach. Admissions to the school is based on but not limited to, the family interview, academic performance, and student services needed.

### **Tuition and Fees for the 2021-2022 Academic Year**

Family is a member of Christ Church	\$5,500.00
Family is a non-member of Christ Church	\$6,500.00
Registration fee	\$300.00
Technology fee	\$300.00

### **Tuition Assistance**

Private school education is not inexpensive. Every family uses some amount of their income to monthly or annually make that tuition payment. Students do not always fully understand the sacrifice and investment, but I know one day they will.

Students growing up in the 21st century face challenges like no other culture or society has ever faced. They are confronted with the intense battle over truth that attacks their hearts and their minds directly. They are forced to make decisions many of us have never had to make growing up. Christ Church Academy attempts to provide an environment where growth in truth can take place and where preparation for life as a follower of Jesus Christ is an essential task.

**There is no price tag that can be placed on the value of the education your children will receive through the Biblical approach we use at CCA. The priority God places on each of us to raise our children in a biblical manner does not remove the sacrifice that is placed on each family's annual budget. Helping families fund this priority is why we offer tuition assistance.**

## **Steps to Assistance...**

1

Students are either re-enrolled or have applied in order to be considered for tuition assistance.

2

The application should be completed as soon as the family's tax documents are finalized. Tuition assistance resources decrease rapidly beginning in April.

3

After the application review, the CCA Financial Aid Committee determines the amount of qualified need toward the total tuition bill. Tuition assistance decisions are made monthly.

4

The qualifying amount is reviewed, and an assistance amount is determined and communicated to the family. This amount is based upon a combination of factors including: the amount qualified for, the amount of assistance dollars available and when the tuition assistance is filed.

5

Preference is for returning families. Once a family is in the school, chances are, they can count on receiving assistance (if they continue to qualify) each year they are at CCA.

\* All financial aid awards are given based on financial need. CCA does not provide merit scholarships of any kind. Tuition assistance is not intended to cover the total cost of tuition and fees. There will always be some level of family contribution. Applicants must go through the academic enrollment process first. An applicant's financial solvency is not a factor in the admissions decision.

## **Parent/CCA Relations**

As a school family, we must utilize effective and regular communication to best achieve our goals. Communication may come in many forms throughout the year: Student-Parent Handbook, website, e-mail, Parent Weekly email updates, school Facebook page, report cards, conferences, phone calls, and/or notes sent home. CCA Email is our school's primary conduit for information, including for grades, assignments, due dates, and even the teacher's lesson plans. Families should inform the office if changes in address or recipients need to be made. All parent questions, concerns, or insights regarding their child and his or her program of study are best addressed to the particular teacher involved. If an issue arises that has been addressed but not resolved between parent and teacher, the parent may then address the administration.

If parents have concerns about anything regarding their child or the school's operation, they should email to make an appointment to speak with the teacher, staff person, coach, or supervisor of the area of concern. (Drop-off and pick-up are not appropriate times for conferences). A response can be expected within 24 hours. If communication with this person does not resolve the matter in a reasonable time period, parents may pursue communication with the Head of School. Parents are welcomed to take concerns to the administration but should keep in mind that CCA administrators will always, where appropriate, direct the family back to those immediately involved as a first step in resolving conflict or concerns.

### **Parent Association**

Christ Church Academy is a "Pioneer School" which means that all CCA Families should be of a "Pioneer Spirit." Because of this, all parents or guardians of children enrolled at CCA are members of the Parent Association. The primary goals of the PA are communication, education, and service, but it also provides opportunities for parent fellowship throughout the school year. The Parent Association is currently led by Mrs. Emily Groothuis who works with CCA administration and faculty to respond to specific projects and service support. Emily is a blessing to CCA, and parents are encouraged to reach out to her at [emilygroothuis@yahoo.com](mailto:emilygroothuis@yahoo.com).

## **Fundraising**

As a private, Christian school, CCA participates in few traditional fundraising events throughout the school year. These fundraising events help keep tuition affordable, while providing students a first-class educational experience. Our most impactful fundraising event is our annual Lions Gala. Information about the gala will go out to parents and participation is strongly encouraged. A successful gala is pivotal in the success in our school. It is a wonderful event that features dinner, live music, contests, speakers, and a silent auction. Our pioneer families are strongly encouraged to attend our annual gala. **No student or parent will ever be asked to go door-to-door to sell anything.**

## **Change of Information**

Please notify the school office as soon as possible regarding any change in a family's address, phone number or email address. This information is essential for our emergency and health information records. It is also important to notify the school office in the event of a job change or custodial change. Custodial changes must be accompanied by legal documentation.

## **Student Reports**

Student report cards will be sent home for parent signatures on 10/8, 12/17, 3/11, and 5/20. A progress report will be sent home weekly.

## **Tuition and Fees**

All tuition and fees can be paid online at [www.christchurchvero.org](http://www.christchurchvero.org), click GIVE, then choose CCA in the FUND dropdown. You may also give a check or cash to school administration. Parents can choose from three available tuition plans and due dates are provided on the CCA Lower School Application. Accounts will be considered delinquent if payment is more than 30 days late. Delinquent accounts are charged a \$40.00 late fee 10 days after the payment due date is missed. These charges accumulate if the account continues to remain in arrears. A grace period up to 30 days may be granted when requested in advance from school administration. A request for an extended grace must be made by an appointment with the

Head of School prior to the date payment is due. No report cards or other school records will be released until all tuition and fees are paid in full. Registration for the following school year will not be accepted until all financial obligations are met from the previous year or a payment arrangement has been made. Christ Church Membership Tuition billing for families who join Christ Church during the school year will be adjusted to the church member rate in the month following the date they join the church. A \$25.00 charge will be assessed for all returned checks. After the second returned check on an account, we will only accept payments made by cash, money order, or bank check. Late fees will accrue if an account becomes delinquent as a result of a returned check.

### **Withdrawal Policy**

Should a student withdraw from CCA for any reason after classes have begun, the parents are responsible to pay the full tuition for that quarter. For a student withdrawal to be official, parents must complete a Withdrawal Form from the Admissions Office. This form requires signatures from teachers and other school personnel. Until the Admissions Office issues an official notice of withdrawal, teachers will continue to treat students as enrolled. Student records/transcripts will not be released until all outstanding financial obligations are paid in full, all textbooks and CCA materials are returned, and athletic uniforms and/or equipment are returned. If a student is expelled, the tuition for the remainder of the school year will be waived. Tuition for the remainder of the month will not be reimbursed.

### **School Absences & Tardiness**

It is the student's responsibility to complete all missed assignments and arrange to take all missed tests and quizzes within the number of days equal to the number of days absent. Absences in excess of twenty (20) per school year will result in a formal letter from the administration and may affect continued enrollment or the student's promotion to the next grade level.

**One of the school's objectives is to create an environment that is conducive to learning. Tardiness is contrary to this objective. Tardiness is also contrary to the principles of discipline, accountability, and consideration for others. All CCA Students should be in their classroom by 8:30 a.m.**

Therefore, students arriving after class begins will be considered tardy. Students who arrive at school after the start of the school day must report to the school office for a pass and will be marked tardy. K-5 students who arrive to school late more than three times in a marking period should expect to be contacted by school administration. Excessive tardiness may warrant dismissal from CCA.

### **School Closings and Severe Weather**

If CCA is closed for any reason, all families and personnel will be notified by email. Further modes of communication may also be used such as CCA Facebook and/or [www.CCAVERO.org](http://www.CCAVERO.org).

### **Lunch/Food Policy**

CCA does not provide a lunch program yet; students must bring their lunch from home each day. Please do not include glass containers.

### **School Pictures**

School pictures will be taken in the fall by an approved photographer, and students must wear standardized school uniforms for those pictures.

### **Birthdays and Holiday Celebrations**

Your child may celebrate his/her birthday with class friends at school, pending teacher approval and determination of date and time. Children are not to hand-deliver party invitations at school unless all students in the child's class are included.

CCA respects the right of parents to celebrate the holidays of Halloween, Christmas, and Easter with their families as they wish. Within the school program, however, the following principles will serve as our school guidelines: Halloween: CCA emphasizes a harvest theme at this time of year. **Halloween themes such as witches, monsters, ghosts, death, and fear are not welcome and are banned from CCA.** Christmas and Easter: CCA treats these holidays as joyous times of the year to celebrate and emphasize both the birth of Jesus Christ and His resurrection. Activities and symbols that complement these emphases are prominent in our classrooms. Symbols that compete with these, such as Santa Claus, elves, or the Easter Bunny, are de-emphasized, but not banned.

## **Fire Drills & Emergency Preparedness**

Christ Church Academy carries out safety/emergency drills and maintains a log containing the date of the drill, the number of children participating, an attendance roster to indicate that all children have safely evacuated the facility and returned after the drill is completed, the time taken for a full evacuation to be completed, and any special conditions that occurred. Fire Drills are conducted regularly.

### **Public Health**

Please **do not** bring your child to school if he/she has had a **fever, runny nose, cough, diarrhea, or vomiting within the preceding 24 hours** or currently exhibits any of these symptoms. Children exhibiting these symptoms will be sent home early.

### **Personal Items**

Please leave toys and non-essential items at home to avoid loss and arguments. For special circumstances where an item still provides emotional security, *not just a favorite toy*, they may bring that item to “nap” in their personal cubby for the morning.

### **Special Events**

We plan special events most months. Detailed info will be sent in advance via e-mail with an occasional request for food/party donations. Your help is much appreciated!

### **First Aid**

We stock basic first aid items. In the rare event of injury, we will apply first aid immediately. If the injury is minor, e.g., a scrape or bumped forehead, you will be notified at pick-up time. More serious injuries will include immediate parent notification. Our standard procedure for open wounds is antibiotic cream/spray with a bandage. We do not dispense oral medication. *Every CCA classroom has at least one teacher that is First Aid, CPR, & AED certified.*

## **Philosophy of Discipline**

The word discipline in Scripture refers to the training of the heart. True biblical discipline doesn't aim for outward conformity to external rules, but instead places its focus on the condition of the heart because the heart is the source of everything we say, desire, and do. This is what we call being a community of grace. Grace is often misunderstood as meaning no consequences, but withholding proper discipline is not an act of grace. Being a community of grace means not settling for a temporary external "fix" but striving to create lasting change in a student's heart. We do this by not stopping with the imposed consequence, but instead going deeper to help students understand the condition of their own hearts. We believe that only God can change a person's heart, but as adults who are invested in students' lives, we can be used in that process.

CCA acknowledges that parents hold the primary responsibility for the discipline of their children and that parental involvement in the discipline of their children within the framework of the CCA program is integral. Given this, it is also understood that for the continued integrity of the CCA program, school leadership maintains the right and responsibility to administer discipline as it sees necessary and prudent. In all disciplinary action, we strive to teach and model biblical repentance, forgiveness, and restoration. The classroom teacher is charged with primary responsibility for student discipline. Classroom discipline is carried out through counsel with students, parental contact, and direct interventions including sanctions and consequences. Students are referred to school administration for disciplinary action for consistent classroom infractions, gross misconduct, and moral and/or ethical offenses. Administrative discipline is issued by the administration when necessary. Failure to serve any assigned discipline will result in additional disciplinary action. CCA is not required to follow a certain progression of disciplinary action and may proceed immediately with expulsion as circumstances warrant. Student misconduct will be cause for discipline deemed appropriate by the administration.

When an individual (student, parent, or employee) becomes aware of incidents of student misconduct, that individual should report the incident to the administrator. Conduct that could warrant immediate referral to an administrator, resulting in disciplinary action (work detail, detention, suspension, expulsion, etc.) includes, but is not limited to, the following: 1. Disrespect to a staff member 2. Blatant disobedience in response to instructions 3. Profanity, obscenity, and/or vulgar speech.

4. Striking with the intent to harm another or causing harm to another  
5. Inappropriate use of social media  
6. Lying or deception  
7. Serious class disruptions  
8. Inappropriate physical contact between students  
9. Skipping class or school acts of serious misconduct could result in a student's suspension or expulsion. Reasons for such action include, but are not limited to, the following:

1. A serious breach of conduct (including violation of civil law)
2. Continued disrespect, disobedience, or rebellion that is unchanged after much effort by the school staff
3. Any threat or action to endanger the lives of others
4. Bullying: defined as repeated, systematic, targeted infliction
5. Cyberbullying: the use of technology to do the same (this includes any activity interpreted as cyberbullying against any member of the CCA Community taking place on or off the CCA campus)
6. Vandalism of school property (including pulling fire alarm)
7. Theft of personal or school property
8. Possession and/or use of alcoholic beverages, illegal drugs, tobacco products, or vaping products on campus or at school-sponsored events
9. Possession of a weapon: Defined as any instrument or object deliberately used or intended for use to inflict harm upon another person or used to intimidate another person, including, but not limited to, knives, gun, chains, pointed instruments, razor blades, etc.
10. The taking, sending, receiving, or transferring suggestive, sexually explicit, obscene, or otherwise illegal photos, images, or messages via cell phone, computer, or other digital device (Persons engaging in such actions may be reported to law enforcement and/or other appropriate state or federal agencies, which may result in arrest and prosecution. Students aware of such actions are required to notify a teacher or administrator).

***Parents/guardians will be held to the same standards as students with respect to all things CCA.***

### **Detentions**

Detentions may be assigned by the teacher and will be served with the teacher in the classroom. Lunch detention may be assigned by the teacher (including specials teachers) and is held in a designated classroom.

### **Expulsions**

Students who do not respond to corrective measures and continue to exhibit negative behavior and/or attitudes, or who are involved in very serious misconduct, or who bring discredit to CCA, could be expelled. Parents may appeal the expulsion decision to the head of school in writing within ten (10) days of the expulsion. CCA reserves the unilateral right to deny admission or continued enrollment to any

## **Dress Code**

The CCA dress code is intended to be a practical, simple, and standardized expression of the principles of neatness and modesty. We believe that standardized guidelines result in fewer distractions for teachers and students and, therefore, provide an environment most conducive to the learning process. These guidelines also foster a more unified learning community. The personal appearance of each member of the student body reflects upon the entire school, so we encourage students to take pride in and responsibility for their physical appearance. Dress code standards begin as soon as a student arrives on campus and do not end until school is dismissed. Any time a student is on campus during school hours, the dress code must be observed. Every effort has been made to present clear standards; however, the school administration will have the final say in all matters of interpretation. CCA reserves the right to have a student remove any item that is deemed a distraction to the educational process or is in violation of the dress code. **Uniform shirts should be tucked at all times and uniform belts should be worn.** All students should wear closed toe shoes, no sandals. CCA School Uniforms can be purchased exclusively at: **School Uniform Apparel of Vero Beach: 772-563-0777**

The CCA School Uniform is to be worn on all school days unless specified. For safety reasons, please send your child in appropriate shoes, preferably closed-toe shoes. Athletic footwear is suggested. Sandals, Flip-flops, and costume shoes may lead to injury and should not be worn to school. Please supply an extra set of play clothes, including undergarments, in a labeled Zip-loc bag that can stay here for when they are needed.

## **Dismissal**

Students are dismissed for the day at 3:30 p.m. The classroom teacher will assemble students inside the doors between the kindergarten classroom and the community center. Students that are not picked up by 3:45 will be escorted to the CCA Preschool where they will join CCA Preschool students in extended care. CCA extended care operates until 5:30 p.m. and there is NO CHARGE for CCA Lower School Students.

## **Summer**

Christ Church Academy Summer Sessions run all summer long. CCA Lower School Students receive a 50% off discount for all summer weeks. Registration begins in January.

## **Program of Instruction**

CCA is a parish school and teaches according to the doctrine & discipline of the Anglican Church in North America and under the spiritual oversight of our Bishop & Rector of Christ Church Vero Beach. Admissions to the school is based on but not limited to, the family interview, academic performance, and student services needed. The academic curriculum at CCA is taught in accordance with the National Educational Standards and the Florida Educational Standards. Sadlier Textbooks, McGraw-Hill Textbooks, STEMscopes Science, Positive Action for Christ, and Apple iPads are used to facilitate learning.

# BEHAVIORAL EDUCATION

**Our classroom rules are very simple:**

*Love and Respect God and each other.*

This standard helps children by creating “others awareness” especially when it comes to sharing, taking turns and self-governing words and actions.

It takes a lot of practice.

And double the patience. In order to help the children understand what is and is not acceptable behavior, we reference the Biblical

## **Fruit of the Spirit.**

When we exhibit any of these qualities it shows we are focused on others instead of ourselves. It’s also teaching the gracious character of God.

Even more, your kids will learn to ask God to help them develop these hard qualities like patience and self control.

At home, please commend them when they are gentle with toys or pets, kind to their friends, exhibiting self-control when frustrated, et al, to help reinforce the development and practice of Godly character.

## **THE FRUIT OF THE SPIRIT;**

**LOVE**  
**PEACE JOY**  
**PATIENCE**  
**KINDNESS**  
**GOODNESS**  
**FAITHFULNESS**  
**GENTLENESS**  
**SELF CONTROL**

# SONGS

## **Our daily morning song of prayer:**

### ***The Fruits of the Spirit***

I want to know, I want to grow

The Fruits of the Spirit, The Fruits of the Spirit 2X

I want to know, I want to grow

The Fruits of the Spirit, The Fruits of the Spirit 2X

Love, Joy, Peace 2X

Patience, Kindness, Goodness 2X

Faithfulness, Gentleness, Self-Control 2X

I want to know, I want to grow

The Fruits of the Spirit, The Fruits of the Spirit 2X

Fruit grows in gardens, fruit grows in trees

But the Fruit of the Spirit, grows inside of me

## **Our daily prayer before lunch:**

### *God Our Father*

(Tune: Frere Jacques)

God, our Father (God, our Father)

once again (once again)

Thank You for our blessings,

For our many blessings,

Amen. (Amen).
